

PTFF-6 – “Lion Rescue” (Provided by Paul Baxter)

Oradea Zoo in Romania has been condemned by EU legislation. With no funds available to renovate or feed its animals the zoo has appealed for help to relocate animals. A charity in North Yorkshire has raised funds to transport 13 of the 18 lions to the Yorkshire, UK Wild Life Trust at Branton near Doncaster, UK.

Platinum Airways will provide air transport from Romania.

Suggested Aircraft:

B737F (Combi), B757F or appropriate freighter aircraft

Flight Schedule:

1. Fly from PT Hub at Brussels (EBBR) to Ferihegy-Budapest (LHBP) and load 13 lions – 627nm.
2. Fly lions from Budapest to Doncaster-Sheffield, UK (EGCN) and offload. (Clean aircraft!) - 868nm.

NOTAMS:

FS9 users must download egcnjy3.zip from AVSIM or use alternate at Leeds-Bradford (EGNM).

Total flight distance 1,495nm.
